

Banquet of Sound (Laura Goucher)

3 DI boxes

1 mic lead

Additional aux output for in ear monitor if possible.

The bass player will plug into PA rather than own amp. Keys player with a DI, stereo if possible. We have drummer bringing his own drum kit. Unfortunately our drummer is unable to bring kit at 11.45, but he guarantees to have it set up in less than 10 minutes. I have my own microphone but require a lead. DI for my guitar.
