

AIDAN & THE WILDFIRES

Tech Spec: total of 6 XLR inputs (3 vocals, 2 drums and 1 lead guitar amp), 2 Direct inputs (bass and acoustic guitar)

Drums = drummer brings his own bespoke kit - will need 2 microphone input channels with phantom power.

Lead guitar = bringing electric guitar + amplifier - will need to be mic'd up depending on volume required

Bass = bringing amp with XLR Direct out - may need to be put through the desk depending on volume required.

Guitar = will need a DI box and to be put through desk

Vocals = 3 vocal mics needed, main singer will bring own microphone
